### About Me

Creative Presentation Designer with expertise in crafting visually stunning and high-impact slides for businesses, educators, and entrepreneurs. With a proven track record on Fiverr, I specialize in professional slide design, data visualization, and interactive presentations. My goal is to help brands communicate their message effectively and leave a lasting impression.

## **Experience**

#### Freelance Presentation Designer **Fiverr** 2020 - Present

Worked with 30+ international clients to design high-quality business presentations, pitch decks, and infographics.
